 @Kratichopra   Krati Chopra

CAREER OBJECTIVE

Highly motivated ECE student with a strong foundation in many programming languages. Eager to apply my technical acumen for web development roles, contributing to the development of innovative web solutions.

EDUCATION

- ❖ **ECE** | Dr S & SS Gandhy Government Engineering College   **CGPA**: *9.22* | *(6-3-24)*
- ❖ **XII (CBSE**) | JB & Karp Vidhya Sankul   *92.8%*| *2021*
- ❖ **X (CBSE)** | JB & Karp Vidhya Sankul   *85%*| *2019*

SKILLS

❖ **Python**	❖ **Java**	❖ **HTML, CSS, JavaScript**
❖ **React JS**	❖ **PHP**	❖ **SQL**

PROJECTS

- ❖ **Resume Builder App**
  Developed a user-friendly Resume Builder app incorporating built-in template for easy resume creation and seamless editing, including a secure login and registration system. Technologies utilized include: PHP, HTML, CSS(Bootstrap)

- ❖ **React Chat App**
  Developed a chat application using React.js for frontend development and integrated backend functionalities from ChatEngine.io. Engineered a secure UI with real-time online statuses, intuitive design, read receipt icons, image support, sound notifications, and multi-room creation, ensuring an enhanced user experience and efficient communication

- ❖ **Tech-fest 2024**
  Designed and developed a static website using HTML, CSS to showcase details of 'Anveshan2k24', including event schedules and sponsors, contributing to an engaging user experience for the college tech fest.

ACHIEVEMENTS

- ❖ Participated in **SSIP Hackathon** and successfully developed an automatic Speech Recognition System using Python. The system effectively converts voice input into text within the terminal, showcasing strong technical and problem-solving abilities.

- ❖ Achieved selection till the regional round in **Smart India Hackathon (SIH)**, proposing an innovative idea for a price comparison website aimed at comparing product prices across Government e-marketplace (GEM) and other e-marketplaces, showcasing problem-solving skills and critical thinking skills.

- ❖ Successfully completed 40 hours of **Finishing School** training focused on enhancing soft-skills and professionalism, including communication, teamwork, leadership, interpersonal skills, contributing to a well-round professional profile.

POSITION OF RESPONSIBILITY

- ❖ **Anveshan-2k23 | Techfest, College**   *(Date- 27-4-23)*
  Organized and handled the Techfest of college Anveshan 2k23.
- ❖ **NSS Volunteer**   *(2022-2024)*
  Engaged as NSS volunteer, actively contributing to numerous community events and initiative.
